Plus so much more! Now is the time to step up and stand out because Black Sheep Kicks Azz! Rugby meets its match in this love triangle of yummy brothers going after the same woman. Cami Avesque is a shy, wannabe journalist, working for the largest newspaper in Ohio. She’s stuck editing classified ads until she lands her big break. That break comes when the only female sports reporter goes on bed rest for the remainder of her pregnancy. For some reason, Cami is chosen to cover The Slam, a rugby team in Colt, Ohio. They have a chance of going all the way to the Rugby League Championship. Unfortunately, Cami has a poor track record with jocks and going all the way is one of her problems. Because of her past, she hides her assets behind clothes that are a size too large and big glasses that camouflage the sexual sizzle that eats ripped bodies for lunch. Shy, she must remember she’s shy. If man muscle doesn’t bring out her wild side she might survive. Gorgeous brothers, Van and Joel Stelson, own, manage, and play for The Slam. They see through Cami’s cover up and attack in order to make their goal. Who will be the first to get her in bed? Who will be the first to win her heart? Remember in rugby… 80 Minutes, 15 Positions, No Protection, Lets Ruck! This book contains adult situations and more balls than a girl knows what to do with. Kick2bFit is a program that has been developed over the years. The roots are over 100 years old. The workout on a boxing bag is as old as martial arts, it could be around 4000 years old!

In 1997 Arnaud van der Veere, a former Dutch Muay Thai fighter started to prepare the Kick2bFit program with a combination of fun & fitness using the workout bag. The program has developed into a tremendous fitness program with many different levels, targeting different groups.

Be careful what you wish for... Financial pressures and a brutal workload are not quite what former DSS Agents Will Brandt and Taylor MacAllister signed on for when they decided to open their own security consulting business. When they bump into an old adversary while undercover, and the job goes south, Will braces himself and suggests they head up to Oregon to celebrate the Thanksgiving holiday with his family. Unfortunately, not every member of the Brandt clan loves Taylor the way Will does. Then again, not everyone loves the Brandts. In fact, someone has a score to settle--and too bad for any former feds who get in the way when the bullets start to fly.

Die brutale Neudefinition geht weiter! Als Kick-Ass hat Patience die Kontrolle über die Gangs von Albuquerque übernommen und schützt so die Unschuldigen. Aber nun drängen die Russen in ihr Revier, und das Kartell hetzt ihr eine irre Killerin auf den Hals. Zudem sorgen die Männer aus Patience' Umfeld für Ärger...

When the Motor City 5 stormed the stage, the band combined the kinetic flash of James Brown on acid with the raw musical dynamics of the Who gone berserk. It's a unique band that can land itself on the cover of Rolling Stone a month before the release of its debut album and then be booted from its record contract just a few months later. Rock had never before seen the likes of the MC5 and never will again. Many of us who were floored by the 5 in concert were convinced that this was the most transcendentally pulverizing rock we would ever experience, while many more who heard or read about the band dismissed the 5 as a caricature, a fraud, White Panther bozos play-acting at revolution. There was always plenty of humor to the 5-visionary knuckleheads-though the question was whether they were in on the joke. Frequently ridiculed during their short career, they've since been hailed as a primal influence on everything from punk to metal to Rage Against the Machine to the Detroit populist resurgence of the White Stripes, Kid Rock and Eminem.

"Kick Lannigan has taught herself to be dangerous. She can pick any lock, fire any weapon, throw any knife, and aim a punch at her opponent's trachea. She has also taught herself to be safe. So when enigmatic John Bishop shows up asking her to help him rescue missing kids, Kick has every reason to be wary. He appears to have access to limitless money, high-level contacts, and details of Kick's background long kept sealed by the court. Yet everything he tells her about himself seems to be a lie. Headstrong by nature, suspicious by circumstance, and a smart-ass by self-determination, Kick can't help but see the writing on the wall: together, she and Bishop could make an unstoppable team, willing to do whatever it takes -- legal or not -- to see justice served ... if they don't kill each other first. For Kick, whose interest in child abduction is deeply personal, it's a gamble worth taking."--Page 4 of cover.

Kick 4 Malawi is the true story of two football fanatic brothers, who embark on an endurance challenge of a lifetime. Their goal is to kick a football 250 miles across Malawi in just 10 days. Their objective is to raise Â£10,000 for an AIDS orphanage in one of Africa's poorest nations. This is the story of how Steve and Pete Fleming formed Kick4Life; a charity that has pioneered the use of football for development in Africa.Kick 4 Malawi is a travel documentary with a difference. A tale of lives transformed when ideas and action meet, the story contrasts the humour and adventure of an improbable fundraising challenge, with the sobering realities of poverty and disease in Africa.
The highly amusing, uplifting and entertaining follow-up to All My Patients Have Tales. In this second collection by our intrepid vet, Jeff Wells has his work cut out for him when he learns that llamas do not take kindly to having their toenails trimmed, dog owners in the medical field can be a real pain, Scottish Highland cattle stick together and just might run a vet out of their enclosure, and fixing an overly amorous burro often needs to be prioritized. Told with Wells's trademark humor and gentle touch, these and many other heartwarming, heartbreaking, funny and strange stories will give readers a whole new appreciation for those who care for our pets.

"Dan Kalers journey is a most-interesting story. He found out that his spiritual growth and praising God far outweighed financial gain."--Bob Harlan, Green Bay Packer president and CEO. (Motivation)

Learning how to swim can be a frustrating experience sometimes, especially for an adult. Kick with your legs, pull with your arms, breathe in, and breathe out and do it all at the right time. Before you know it you've got a hundred and one things to think about and do all at the same time or in the right sequence. The Swimming Strokes Book is designed to break each stroke down into its component parts, those parts being body position, legs, arms, breathing and timing and coordination. An exercise or series of exercises are then assigned to that part along with relevant teaching points and technique tips, to help focus only on that stroke part. Although it is not the same as having a swimming teacher with you to correct you, this book perfectly compliments lessons or helps to enhance your practice time in the pool. The 82 exercises form reference sections for each swimming stroke, complete with technique tips, teaching points and common mistakes for each individual exercise. Clear, concise and easy-to-follow.
